Quilter's Anonymous 2012 Quilt Show Program

This year's dates are, March 16, 17, 18, 2012

Evergreen State Fairgrounds, Monroe, Washington

The QA Quilt Show is one of the oldest and largest annual guild shows in the Pacific Northwest. Occupying over 46,000 sq. feet of space and displaying over 500 beautiful quilts, it is a three day show that attracts thousands of spectators each year. This will be our 31th annual show. With over 500 QA guild members, we all work hard to make each show the best ever.

A great way for you to be part of this show and to reach a targeted market is to place an ad in the show program. The program lists every quilt along with a statement by the artist. The programs become part of the show. Your ads are visible and have thousands of eager quilting enthusiasts reading them. Again this year we have kept the ad rates the same. All ads are printed in B & W.
